

Reference Contacts for Kelsey Lawson

Diran Apelian

Distinguished Professor, Samueli School of Engineering
The University of California, Irvine
444G Engineering Tower
Irvine, CA 92697
(949) 824-2538
dapelian@uci.edu

Diran Apelian was my professor for a materials manufacturing and recycling course I completed earning my bachelor's degree in Materials Science and Engineering.

Jeff Foresta

Lecturer, Samueli School of Engineering
The University of California, Irvine
113 Rockwell Engineering Center
Irvine, CA 92697
(949) 824-5211
jforesta@uci.edu

Jeff Foresta was my professor in the upper-division technical writing course I completed earning my bachelor's degree in Materials Science and Engineering.

Chris Hoo

Continuing Lecturer, Samueli School of Engineering
The University of California, Irvine
744A Engineering Tower
Irvine, CA 92697
(949) 824-2919
cmhoo@uci.edu

Chris Hoo was my material science and engineering professor in the senior design course I completed earning my bachelor's degree in Materials Science and Engineering.

Christine King

Assistant Professor of Teaching, Samueli School of Engineering
The University of California, Irvine
3410 Engineering Hall
Irvine, CA 92697
kingce@uci.edu

Christine King was my biomedical engineering professor in my SolidWorks course and the senior design course I completed earning my bachelor's degree in Materials Science and Engineering.
